The Sagebrush Cowboyography Association recently engaged TJ Casey to entertain at our Annual Cowboy Roundup in Sheridan, Wyoming as part of our Evening Feature Performance. TJ is a high energy entertainer and has a complete repertoire of cowboy humor, songs and poems. He engages the audience with his performance and keeps them highly entertained. He is an excellent guitar player and singer and aside from being enjoyable to listen to he is fun to watch. In this world of prefab, plastic and wannabees, TJ Casey is refreshingly the real deal.

You offer the type of talent that patrons would love to have back year after year. The warmth in your singing style is perfect for the family style entertainment we like to showcase. Your professional attitude and reliability helped us to provide quality entertainment. You would be an asset to any fair, but we would love for you to schedule Fremont in your regular route.

Sherilyn Dunning – GM of Fremont County Fair and Rodeo, Riverton, Wyoming

TJ was one of the night show performers, at the 18th Annual Montana Cowboy Poetry Gathering in Lewistown, Montana, opening for Ian Tyson. Casey was quite a crowd pleaser. He has a truly western flair, a wide repertoire of songs which even includes a little bit of yodeling, and a strong and pleasing voice. He did a wonderful job for us.

Nancy Hedrick, Exec. Director – Lewistown Art Center, Montana

"Of the stars and superstars of country music pictured in the Hall of Fame in Nashville that graduated from the Louisiana Hayride, we still make no claim to being able to predict who is going to be a star, but if there is any justice, TJ ought to be one of them."

David Kent, President-Producer - The Louisiana Hayride

"All of my expectations were met along with many more. Having your group as part of the 2004 Opening Ceremony was fantastic. You became a part of the event...I am 100% happy that we selected you and your band to be part of our 2004 Fair.

Audrey Smith – Skagit County Fair, Mount Vernon, Washington

"I evaluated TJ's classroom performance throughout the week. I found TJ to be very personable and down to earth regardless of the age level. I highly recommend TJ; he exceeded all of my expectations. It was a wonderful way to share a little of our past heritage.

Kitty Logan, Principal – Drummond Public Schools, Montana

"The sounds of Marty Robbins drift across the air when TJ is singing."

Sharon Bothwell – Cody Stampede, Cody WY
